## EXCELLENCE • RESPECT • INTEGRITY

- Integrity & Excellence: *Moving* with purpose and doing the right thing even when no one is watching the mirror.
- Feedback Culture: We *move* forward by listening, adjusting, and striving for our personal best.
- Respect: We honor the history of dance and the physical effort it requires from every body in the room.

# C R E A T E

## INDIVIDUALITY • CONFIDANCE • FEELING SEEN

- Individuality & Confidence: "You do you." We provide the space; you provide the soul. We want you to create a version of yourself that you are proud to share with the world.
- Feeling Seen: Every dancer is a creator, not just a number. Your unique contribution is recognized and valued. You will create trusting and supportive relationships with teachers and peers.

# I N S P I R E

## INCLUSIVITY • COMMUNITY • CONNECTION

- Inclusivity & Connection: We inspire others by opening the door wide. Our "Dance Home" is built on the idea that we are better when we are connected.
- Family & Community: We are all in this together. We inspire through kindness, support, and the "good people make great dancers" philosophy.
- Energy: Leaving every class feeling energized and happy isn't just a goal—it's our standard.
